Description of product

The product "HARNESS, type CLIMAX 10 BASIC" consists of the shoulder and thigh straps. The shoulder straps and the thigh straps are red. They have required width (45 mm) and their edges are sufficiently protected against chafing. Sewing of load bearing parts is white, in contrasting colour to the straps, for easier visual control. The thigh straps are fitted with adjustment buckles with rounded edges. The harness is fitted with one back fall arrest attachment element.
